Spanish Classes

Courses consist of **20 hours of classes per week** (4 hours per day Monday through Friday). The courses take place in the morning or in the afternoon, so students can have half of the day free to enjoy Madrid and practice their Spanish in the city.

We offer **courses for all levels of Spanish, from a beginner level to advanced**. The courses have been created in such a manner that the students can learn and have a fun experience at the same time.
