

Spanish Classes via Skype

Do you want to study Spanish but can't come to Spain?

AIL Madrid offer Online Individual Spanish Classes through video chat software. All you need is to **download Skype*** and you can take long distance private classes with an Instituto Cervantes **accredited** school. Our classes focus on your spoken and written Spanish and are taken by enthusiastic **teachers** with have years of experience of teaching Spanish - if you have studied at AIL Madrid before, please tell us with which teacher you would like to have classes, if you have a preference. The online course follows the same structure as the **individual Spanish classes** that take place in our **school** so that you don't miss out on an opportunity to improve your Spanish from your own home.

Classes for ALL ability levels from A1 to C2 according to the **CEFR**

Dynamic classes with native Spanish teachers

Timetable to suit everyday commitments (morning, afternoons, evenings or weekends)
