You can make up missed classes!

We realise that, due to external commitments, you won't always be able to come to class. At AIL Madrid, you can cancel evening classes the day before and make them up at a later date: we are the only school in Madrid that allows this, which means you do not pay for classes that you do not attend!

Our Evening Spanish classes make your daily life in Madrid easier by helping you develop your overall communication skills while mastering Spanish grammar, acquiring new vocabulary and learning useful expressions. Very quickly you will better understand your colleagues and friends and be able to express yourself with greater fluency in daily situations. But that's not all! Your classes will be fun, engaging, and interactive so you will genuinely enjoy coming to class and taking your Spanish forward to the next level.
